

Final Agenda: JCM Side Event
Contribution to NDC implementation through the JCM
- Scaling Up the JCM under the Paris Agreement -

Date: Wednesday, 4 September, 2019

Time: 12:30 to 13:30

Venue: Meeting Room F, United Nations Conference Centre, Bangkok

Objective:

The Joint Crediting Mechanism (JCM) is implemented by the Government of Japan and its partner countries. The Ministry of the Environment of Japan (MOEJ) is collaborating with the World Bank Group (WBG) and Asian Development Bank (ADB) to enhance implementation of the JCM. This side event will provide most up-to-date development of the JCM in Asia including initiatives with the WBG and the ADB and current progress in Thailand.

Moderator: Mr. Kentaro Takahashi, Programme Manager/Senior Researcher, Climate and Energy Area, IGES
