(City considers equal gender balance)

Collaboration

Collaboration

Regional Circular and Ecological Sphere (CES) by Food-Waste Recycle Centering on Kitakyushu

➤ 59 facilities recycle food waste (5,840t/yr), and producing 250t/yr compost. Regional CES is formed by providing the compost to the farmers in the city and neighboring areas.

➤ Kitakyushu is transferring the know-how to the Cameron Highland City of Malaysia.
